1. Meeting minutes from June (will be sent by email)
2. Principals' report: Ms. Parache
  - a. 1 less kindergarten class. Closed due to no special needs K students allocated to school.
  - b. May not be able to afford Math coach who works with new teachers and also supporting teachers with Math training.
  - c. Mr. Joseph has left the school. Interim acting assistant principal Scott Postel need to find a C30. Oct 29<sup>th</sup>. A C30 parent, teachers, UFT, principals, will interview candidates for open Asst. Principal. School will be getting an early childhood coach with younger grades. Will be working with kids in K-2<sup>nd</sup> grade paid by DOE.
  - d. Starting Teachers College Program – parent workshop, Eng/Spanish literacy. Introducing units. Potentially helping teacher unpack on Saturdays. PS150Q started this process in May and June. School will get a lot of resources. Staff Developer from Teachers college came in and taught lessons. Teachers are teaching but at a deeper level. PS 150Q was selected as part of project at Teachers college and looking at how it increases achievement. Teachers College will be looking at the data (without alignment to specific students). This data will help with: how to implement, what are areas students struggle and what strategies can teachers implement.
  - e. Currently the Zoom Program works well. Increase ELA 12%. Goal increase to 80% of students to get to 3 or 4 in two years. Close to 70% now get 3 or 4. Need to increase hands on activities. Implement the math in real life conversations. Classes doing really well where students are conceptualizing the math. Goal to increase enrichment. End products, monitoring 5 students in each class. Strengthen that period.
  - f. Science curriculum = focus is ELA. 4<sup>th</sup> grade, 2020, will have test in 4<sup>th</sup> and 5<sup>th</sup>. In 2019/2020 science testing. The students got a lot of level 4s.
  - g. Saturday science will continue along with science night. Parnter work and handson .
  - h. STEM night. Science Workshop with the science to teach parents what is changing with curriculum?
  - i. Next generation teaching program is similar to Common Core.

3. PTA Report Ms. Luzuriaga
  - a. Sending home donation envelopes, welcome letter, box top education, PTA schedule
  - b. Will be splitting into committees- Focus on building committee for events: international night, movie night, read a thon, art for recess, chess in school
  - c. First meeting 9/26/2018 PTA International night (donation of \$1)
  - d. New Parent Representative for SLT will be elected at next PTA meeting
4. Citizen of the month Update Ms. Burns & Ms. Wine
  - a. Each teacher should have a one –two sentence blurb each month about the student that has earned this recognition. One per year per child. Traits to consider. E.g. Trustworthiness, most improved, kindness, etc.
  - b. The certificate will be given to the teachers monthly. Teachers fill them out and they should hand them to Ms. Pate in admin office (Has to be in Oct 1. First of the month? How to present to student is still being determined.
5. To add monthly agenda: How are we being equitable in our school?
